

FLORIDA SOUTHWESTERN COLLEGIATE HIGH SCHOOL PRINCIPLES OF PARTICIPATION AGREEMENT

- ✓ I understand that all FSWCHS-Lee students must agree to abide by all Florida SouthWestern State College policies and procedures including, but not limited to, those outlined in the LCSD Code of Conduct.
- ✓ FSWCHS-Lee students may participate in FHSAA athletics at a Lee County High School. There is LCSD process for being assigned to a school and transportation is the family's responsibility.
- ✓ I understand that I am for all instructional materials, textbooks, and equipment issued to me and may be charged a replacement fee if and when damage or loss occurs.
- ✓ I understand that traditionally enrolled students are expected to remain on the high school campus under staff supervision during the established school day times and that routine daily attendance is essential to be successful in this rigorous environment.
- ✓ I recognize that the established focus on dual enrollment for the Jr. and Sr. years creates a target un weighted GPA of 3.0 for traditionally enrolled students during the 9th and 10th grade years. Furthermore, the small size of the school provides limited elective and credit recovery options. Failure to maintain a minimum GPA required for dual enrollment (3.0) and/or earn required credits will impact the opportunity to re-enroll in subsequent years.
- ✓ I understand that dual enrollment opportunities are limited to Florida SouthWestern State College courses and that criteria including minimum GPA, entrance testing, and registration processes are updated and maintained by Florida SouthWestern State College.
- ✓ I understand that completion of high school graduation requirements through Dual Enrollment credits does not guarantee completion of an Associate in Arts (AA) degree. To receive an AA degree I understand that I must meet all program requirements identified in the Florida SouthWestern State College Catalog at the time of my initial admission.
- ✓ I understand that Florida SouthWestern State College is an open campus and that Florida SouthWestern State College, its officers, trustees, employees and agents are released from all liability, claims of demands for any damage, loss or injury to me, my property, or parent's property in connection with my actions.

Please check one or the other choices below:

- FSWC – Lee and Florida SouthWestern State College **have permission to include** my student's image in promotional videos, photographs, and other publications.
- Please limit my student's image to yearbook photos and **refrain from including** my student's image in promotional videos, photographs, and other publications.
