FSWC – Lee uses an open lottery system to enroll incoming 9th and/or 10th grade students into open seats. The process is completed around Spring Break for the following year and we do not process mid-year transfers due to the rigor and nature of the curriculum. 11th and 12th grade students take full time dual enrollment classes at FSW and are processed on a first come first served basis. Admission is dependent on full time eligibility for dual enrollment (GPA and Accuplacer scores) and available each semester.
