

Florida SouthWestern Collegiate High School - Lee Campus is a public charter high school with an open enrollment policy. All FSWC - Lee students follow an honors level and STEM-based curriculum, providing students with the opportunity to graduate with an associate degree and high school diploma simultaneously. Our curriculum and student management philosophies follow the nationally recognized pre-collegiate / collegiate model where students take honors level classes during their freshmen and sophomore years in a traditional high school facility. For eligible students, the junior and senior years consist of dual enrollment classes taken on the campus of Florida SouthWestern State College where students are offered all the challenges and rewards of being independent learners. Potential students should be prepared to have academics as their primary school priority and are expected to exhibit a high degree of personal integrity and social maturity during their time at FSWC - Lee.

**If you want to receive real-time updates related to open house and other promotional materials please email [FSWClee.Info@fsw.edu](mailto:FSWClee.Info@fsw.edu) with your student's name a phone number capable of receiving text messages.** This does not substitute for lottery registration, it simply connects you to more information. Regardless of when one registers during the open lottery period, all applicants have an equal chance of selection.
