

FSWC-LEE 2026 Freshmen Lottery Results

FSWC - Lee operates with an open enrollment and non-discrimination policy, and a lottery process is used to rank order interested parties when demand for seats exceed capacity. All students claiming the statutorily provided sibling or employee preference have been provisionally vetted prior to receiving their enrollment packet and may require appropriate documentation to claim their preferential seat. Participants with either preference or the lottery registration numbers highlighted below are confirmed as having a seat at Florida SouthWestern Collegiate High School - Lee campus for the 26-27 school year, providing the required documentation is returned on or before the established deadlines. If your number is not highlighted, your lottery registration number has been automatically placed on the waiting list in the order ranked here. Please call the office if you need an update on how close your number is to being offered a seat. Enrollment information and emailed packets to accept a seat for the first round will be processed and sent to the email address on file and should arrive on or before April 17th. Being selected in the lottery does not guarantee the seat for next year; you must return the required documentation on or before the established deadline.

Important information:

- FSWC - Lee must have complete enrollment packets by 3:00 on or before the due date established in the upper right corner of the provided Basic Student Information Page that will be part of the acceptance packet.
 - Round one packets (numbers highlighted in yellow) for the initial lottery selection will be due April 24th and should be returned to smolino@fsw.edu. You will receive a confirmation email that your packet is complete and your registration is secure. Please allow 24 - 48 hours between return of the packet and receiving the confirmation email.
 - Families offered a seat after round one will have approximately one-week turnaround time to accept.
 - If you do not receive a packet via email, it is your responsibility to contact us and let us know. No response by the established deadline will be treated as declining the seat.
- Enrollment packets **are only accepted via email to smolino@fsw.edu or in person** (no U.S. mail) and you will receive a confirmation email when your packet has been received and vetted for completeness. We prefer you email the completed packet so that we can work quickly to process your enrollment. If that is a problem, you are welcome to come by in person. If this is a problem for your particular circumstance, or you need to know where you are on the waiting list please reach out to the school via phone.

*** The numbers highlighted in green at the end of this list are reserved for those claiming employee and sibling preference - please note, to officially claim these seats you MUST complete and return the paperwork that will be sent to your address on file by the deadline date!!
